

Object (Name, Brand)	Effects/Settings	Comments
Monitor		We probably won't need much monitor given our stage set up but it would be good to have one monitor in case.
DI Box		DI Boxes will be supplied by band will need lines provided
Electric Power		
Electric Power		
Electric Power		
Chair		Chair or Stool for Harmonica's pics etc.
Steel String Guitar (<i>Dobro</i>)		Stage Left - Utility Player Mitch Jay
Banjo		Stage Left - Utility Player Mitch Jay
Steel String Guitar		Centre Stage - T. Buckley
DI Box		DI Boxes will be supplied by band will need lines provided
Steel String Guitar		Stage Right - Utility Player Jesse Dollimont
DI Box		DI Boxes will be supplied by band will need lines provided
Classical Guitar (<i>Mandolin</i>)		Stage Right - Utility Player Jesse Dollimont
DI Box		DI Boxes will be supplied by band will need lines provided
Microphone		We use an ear trumpet labs single condenser microphone that can pick up all of our voices and instruments - DI's are there to supplement if tech wants to hear more of an instrument. It's a traditional looking/sounding folk/bluegrass approach.
